

WEEK 6

Showcase & Reflection

PROJECT THEME

From Passion to Product: Creating AI
Agents with Microsoft AI

Week 6 of a 6-week
build

This Week's Objective

It's **presentation week** — bring it all together. **Polish your solution for demoing, practice your delivery, and be ready to present your projects.**

Things to Note

OnRamps group presentation due Tue, 7/28 Submit your OnRamps project presentation as a group by Tuesday.

Build a one-slide internship recap Create a single PowerPoint slide on your internship experience.

Internal presentation — Thursday (tentative) Be prepared to present your project internally to the MSFT team.

Polish, practice & reflect Refine your demo, rehearse your delivery, and reflect on your summer.

Deliverables This Week

Group Project Presentations
Tuesday, 7/28 & Thursday, 7/30

Internship Experience Slide
A one-slide recap of your summer, presented Thursday, 7/30
